PROJECTS

E-commerce Website Project (WordPress & WooCommerce):

- Developed a complete e-commerce website with product listings, shopping cart, and checkout functionality using WordPress and WooCommerce.
- Customized the theme design and integrated payment gateways for seamless transactions.

Portfolio Website (HTML, CSS, JavaScript):

- Designed and developed a personal portfolio website to showcase my web development projects using HTML, CSS, and JavaScript.
- Implemented interactive features like image sliders, animations, and a responsive layout to ensure an engaging user experience across devices.

Educational Website (HTML, CSS, JavaScript):

- Developed an educational website using HTML, CSS, and JavaScript to provide interactive learning resources.
